

THE NO BOOZE NEWS

Alcoholics Anonymous - Utah Valley Central Office December 2017

Step 12 - Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

Tradition 12 - Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities

Concept 12 - The conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be it's prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions be discussions, vote, and whenever possible, substantial unanimity; that it's actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government; that, like the society it serves, it will always remind democratic in thought and action.

12th Step Prayer - Dear God, having had a spiritual experience, I must now remember that "faith without works is dead." And PRACTICAL EXPERIENCE shows that nothing will so much insure immunity from drinking as intensive work with other alcoholics. So, God, please help me to carry this message to other alcoholics! Provide me with the guidance and wisdom to talk with another alcoholic because I can help when no one else can. Help me secure his confidence and remember he is ill.
